ABOUT ME

I'm a front-end developer with experience in creating web app. Now I am improving my skills in this direction and expanding them with new technologies. My free time I play with the code on Codewars and improve my own English Open to your suggestions!

SKILLS

- React/Redux/RTK
- Next.js
- Vue/Vuex/Vue-router
- TypeScript/JavaScript
- HTML5/CSS3
- Rest API/AXIOS
- Unit tests/StoryBook
- Sass
- Styled components
- MATERIAL UI
- OOP/ Functional programming
- Git

LANGUAGES

ENGLISH PRE-INTERMEDIATE
(IN PROGRESS)

EDUCATION

IT-INCUBATOR

Front-end developer
React/Redux/TypeScript
2022
